Foundational English Language

- ★ 6 Sessions
- ★ Each Session - 90 mins
- ★ Guided Learning Hours - 12
- ★ Microsoft Teams (Virtual Classrooms)

Course Overview

This 6-week Foundational English Language course is more than just an introduction — it's a practical, supportive starting point for anyone who wants to feel more confident using English in real life. Whether you're new to the language or simply looking to strengthen your core skills, this course gives you the confidence and language skills to speak, write and understand English in a way that feels natural and useful.

Session Breakdown

1. **Informal English** - To understand what we mean by informal English and how it is used in everyday communication.
2. **Formal English** - To know and understand the differences between formal and informal language and the role formal English plays.
3. **Spoken English** - To know and understand the importance of speaking confidently in everyday English and know some of the conventions in the language.
4. **Written English** - To know and understand some of the rules and conventions of written communication and learn some key techniques.
5. **Real-World English Mastery #1** - To apply your skills in practical, real-world scenarios.
6. **Real-World English Mastery #2** - To build confidence through hands-on practice and feedback.
